Advisory Notice A19-003

Launch Date: SAIL Protocol – Order status request messages

Pursuant to [Technical Notice 19-006](#), Bourse de Montréal Inc. (the “Bourse”) wishes to announce that the SAIL order status request messages will be activated on **Monday June 17th**. The optional new messages will apply to all versions of the Front-End Native SAIL Protocol feed.

Technical Specification documents can be obtained via the [TMX Webstore](#).

Independent Software Vendors (ISVs) and clients supporting proprietary order routing applications are encouraged to certify to the new messages in the Global Test Environment (GTE).

In order to certify, please schedule a time by contacting the THD at the number or email listed below.

Since the purpose of the AF/AE messages is to reconcile an order book in any situation, MX will also offer a weekly DR scenario in the GTE in order for participants to test their messaging during such an event. These scenarios will take place on Thursdays starting June 6th. The schedule will be (eastern time):

1. Connection loss at 12:00
2. Preopen from simulated DR site at 12:30
3. Open for trading at 13:00

If you have any questions or require additional information, please do not hesitate to contact us at the below coordinates.
