# Technical Notice 19-012

## Montreal Exchange FIX AB Timeline

Bourse de Montréal Inc. (the “Bourse”) hereby announces that it will be upgrading its FIX protocol to F0 for the purposes of the AB, AC and F (long) messages.

Details related to the FIX AB message and its various impacts can be found in the FIX AB Client Impact Document. The F0 protocol specifications contain all necessary information in order to develop the combined strategy creation and order message.

FIX AB Timeline:

|                               |   |
