Technical Notice 20-012

Upgrade to Trade Management System (TMS) Postponed

This technical notice aims to inform you that the upgrade to the Trade Management System scheduled for Monday, July 27, 2020 as communicated in the technical notice 20-011 has been postponed to a later date.

IMPORTANT

- Any client which had scheduled the deployment of the Bourse's *Trade Management* application onto their workstations to process trades in the **production environment, must postpone** this activity until further notice.
- The upgraded Trade Management System remains available for clients wishing to test the upcoming Average Pricing functionality in the General Test Environment (GTE) downloadable via this link: https://www.m-x.ca/tms/Trade_Management_Install_V14_16_2_0.exe

Please direct any question, comment or request for additional information, to our Technical Support Desk.
