Technical Notice 21-010

New Version of the Position Report Manager GUI

The Montreal Exchange is pleased to announce that the Position Report Manager GUI (« LOPR ») will be enhanced to allow the use of up to 7 digits in the External Symbol Field. The changes will be implemented directly within the Graphical User Interface (« GUI ») upon software update and it is already available to clients using the Application Program Interface (« API »). The updated version of the GUI is 14.35.0.0

To download the exe:
