

CIRCULAR 067-24

June 5th, 2024

COMMITTED ORDER THRESHOLD

Bourse de Montréal Inc. (the “Bourse”) wishes to advise its participants that as per [circular 062-24](#), the committed order threshold was increased from 250 contracts to 500 contracts effective May 31, 2024 after market close. However, due to a clerical error, the Bourse’s rules and internal system configurations were not adjusted to reflect the new threshold. The necessary adjustments have been made in both the Bourse’s rules and the system configuration.
