CIRCULAR 077-14
June 9, 2014

AMENDMENTS TO THE LIST OF FEES OF BOURSE DE MONTRÉAL INC.

Bourse de Montréal Inc. (the “Bourse”) hereby announces amendments to its List of Fees, as detailed below.

(1) FTSE Emerging Markets Index Futures Fee Waiver Program

The Bourse is pleased to announce that both transaction and clearing fees will be waived in full for the FTSE Emerging Markets Index Futures contract, for all market participants, until December 31, 2014, inclusive.

For further information, please contact Mr. Ron Hochman, Senior Manager, Business Development, Financial Markets at 514 871-7882, or at rhochman@m-x.ca.

(2) FTSE Emerging Markets Index Futures Competitive Liquidity Incentive Program

This Competitive Liquidity Incentive Program (CLIP) has been designed to enhance liquidity on the new FTSE Emerging Markets Index Futures contract, and will run from June 13, 2014 to June 30, 2015. For additional details and to apply, see Circular 076-2014.

Due to regulatory restrictions on market maker eligibility, some firms who are interested in making markets for this new contract are unable to do so. The CLIP offers these firms an incentive for quoting and trading the contract, encouraging them to work in tandem with the designated market makers to enhance liquidity and increase trading volumes. Furthermore, the CLIP represents a key opportunity to attract greater international participation to the Bourse’s markets.

For further information, please contact Mr. Francois Vendette, Manager, Institutional Relations, Financial Markets at 514 871-3515, or at fvendette@m-x.ca.

(3) Interim and permanent entries for the FTSE Emerging Markets Futures contract in the Rebate Table for the Liquidity Provider Rebate Program

The Liquidity Provider Rebate Program (LPRP) offers reduced execution and clearing fees to participants who meet the eligibility requirements. These fee reductions encourage LPRP participants to post markets and enhance liquidity on the Bourse’s contracts.

The LPRP rebate table addition for the FTSE Emerging Markets Index Futures contract is as detailed below, and will take effect until December 31, 2015.
