

CIRCULAR 110-21
June 15, 2021

Addition of 50 Classes to the New Expiry Cycle

As stated previously in circular [032-21](#), Bourse de Montréal Inc., “The Bourse” is incrementally adding classes to our new Options expiry cycle (from most active to least active based on 2020 trading volume) each month for a duration of 6 months.

The new cycle will be introduced in all classes and will consist of four (4) consecutive months with two (2) quarterly expiries.

Here are the 50 option classes being added to the new cycle for the opening of trading on Monday June 21, 2021:
