iSHARES CDN S&P/TSX CAPPED GOLD INDEX FUND

ADDITION OF A LONG TERM iSHARES FUND UNIT OPTION SYMBOL

Bourse de Montréal Inc. (the Bourse) and Canadian Derivatives Clearing Corporation (CDCC) hereby inform all option market participants of the possibility of an upcoming symbol addition for new series of long term equity options on iShares CDN S&P/TSX Capped Gold Index Fund (ZXG).

Due to recent price fluctuations of the unit underlying the ZXG option and the lack of strike price alpha codes to identify each series, the Bourse and CDCC will create a new symbol – **ZGX** – for all additional options strike prices of ninety dollars (\$90.00) and above.

For further information, please contact Louise Leclair, Trading Systems Analyst Market Operations, Bourse de Montréal Inc. at (514) 871-3526. CDCC Clearing Members may contact the CDCC Operations Department.

Joëlle Saint-Arnault
Vice-President, Legal Affairs and Secretary
