

Be a Student Ambassador

An exceptional opportunity to make your mark in the field of derivatives!

The Montréal Exchange's Student Ambassador position provides you with practical career-related work experience as well as the opportunity to build strong personal relationships and a professional network among university students.

Under the general supervision of the Montréal Exchange, you will be responsible for raising awareness about the financial markets and engaging participation in the Montréal Exchange's University Partnership among your university's student community, faculty staff in Finance, and administrators.

In addition, you will be responsible for the maintenance of the strategic relationship between the Montréal Exchange and your university.

Specific Responsibilities

- Provide liaison between the Montréal Exchange and your university.
- Make the Montréal Exchange's University Partnership known to your university's faculty staff in Finance and administrators.
- Encourage your university's student community to sign up for the Options Trading Simulation and the Canadian Derivatives Scholarships.
- Urge your university's student community and faculty staff in Finance to use the Exchange's financial education tools, including the dedicated website, the m-x.tv educational portal, the trading simulator, and the Facebook page.
- Actively participate in the Montréal Exchange's monthly conference calls and submit a monthly progress report within the prescribed time limits.
- Coordinate and help organize promotional events, such as in-class webcasts, networking activities, and presentations during a course.
- Act as resource person for questions relating to derivatives trading.
- Perform any other related duties assigned by your immediate supervisor.

Required

- Self-sufficiency and resourcefulness
- Regular attendance and thoroughness
- Spirit of collaboration
- Action oriented
- Skilled communicator (both spoken and written)
- Excellent knowledge of your university, particularly the Career Centre, the trading room, and the student associations
- Excellent command of Microsoft Office suite and Gmail (G Suite)

Skills

- Understanding of the financial markets is critical
